

53 x 41 in. (134.6 x 104.1 cm)

Jupiter

Date

1959

Primary Maker

Lenore Tawney

Materials

Silk, wool, and wood

Description

This woven piece uses shades of black, dark navy, purple, and cream. Subtle color changes of the threads in close proximity give three-dimensionality to the central circle and a shadowy effect to the piece overall. There is fringe at the top and bottom and tufts of wool come out in the middle.
