Description

This goblet depicts a mountain scene, with a male figure sitting underneath the body of the cup whose pose resembles Rodin's "The Thinker" and a sheep walking on the cup's edge; five birds enrich the scene, three at the base of the goblet, one on the shoulder of the human figure and another one on its lap. The rough surface of the cup, with its uneven volume, recalls the image of a big rock. The color of the object is gray, whereas the sheep on top is white.
