

Basic Detail Report

Morphescape

Date

2002

Primary Maker

Gaia & Gino

Materials

Glazed porcelain

Description

16 parts Modular tableware which resembles the beautiful Istanbul silhouette when put together. This set brings a new definition to tableware concept by reflecting the sharing habit of Turkish people at the table. The inspiration is the city scape of istanbul from miarets to mosques to the modern city and the Bosphorus. This collection won the Design PPlus Award in 2005.
