Description

Wood chair with four splayed legs and a tall back. The chair back consists of nine vertical spindles and a curved horizontal piece at the top. The chair's seat has two shallow indentations fitted to the sitter's body. The four legs emerge from the base of the seat and have an H-shaped horizontal part attached to the top of the legs.

Each of the back spindles and legs has a natural wood finish and is thicker in the middle than at the ends.
