

Basic Detail Report

Drawing for Halsschmuck

Date

c. 1980

Primary Maker

Hermann Jünger

Materials

Graphite on paper

Description

This necklace has a simple gold wire with multiple objects (mainly composed of gold, with some enamel) hanging from it to form a pendant. The pendant, hanging from two loops attached to the central wire, has elongated pieces, representing feathers, a cross, a flat stylized bird, and an egg.

Dimensions

14 1/2 x 11 3/4 in. (36.8 x 29.8 cm)
