

Reality Was Born from the Traces of

Dreams

Date

1994

Primary Maker

Natasha Muradova

Materials

Cotton, silk, woo

Description

This quilt, large and irregularly shaped has many colors, mainly muted pastels alongside deep earth tones, and a picture of a window and other frame-like objects. The textile is a collage of many kinds of fabrics pieced together and at times gathered, creating a sculptured three-dimensional quality.

Dimensions

120 x 156 in. (304.8 x 396.2 cm)
