

Northwest Braque

Date

1988

Primary Maker

Howard Kottler

Materials

Earthenware and gold luster glaze

Description

Ceramic sculpture consisting of five elements which form on the back a profile of the artist's head. The front, which is covered in gold leaf, is a Cubist-style sculpture of fragmented volumetric forms, depicting a still-life table setting with a plate of food, three bottles and candlestick. Overall, the piece is planar and geometric, as well as very lustrous because of the gold glaze.

Dimensions

32 x 70 x 13 1/2 in. (81.3 x 177.8 x 34.3 cm)
