

Basic Detail Report

D-Industry

Date

1995

Primary Maker

Steven Montgomery

Materials

Earthenware and paint

Description

Large engine-like ceramic piece. On each side, appendages which resemble shock absorbers protrude. Ceramic pieces made to look like screws and bolts are lined up on the exterior of the piece. The overall glaze, which runs and streaks, suggests corrosion and rust. At various places, the engine is broken away to suggest damage from decay.

Dimensions

26 x 26 x 15 in. (66 x 66 x 38.1 cm)
