Materials

Steel teaspoon and gold

Description

consists of one beetle and one spoon. ejh There are two distinct objects, attached together to a sm length of grey felt. The spoon in sewn on (a couple of stitched) and the beetle is pinned on. Per vendor: “and the spoon is the material that the beetle is made from. It belongs to this piece (we don’t usually provide the spoon but David gave it special attention for the museum), the beetle can be displayed with or without the spoon, a curator’s judgement call for Barbara to make.”
