Description

Large, brightly colored sculptural piece with a small cabinet which opens to reveal a hollowed enclosure. The piece stands on three legs, each in a different shape and color. One leg is shaped like an elongated leaf and is bright red. The second leg is about half the height of the red leg and is black. The third leg is variegated green and has a cut-out at the bottom from its leaf shape. A purple, horizontal panel connects the three legs. Above this board rests the green rectangular box, with a yellow peanut-shaped form with gouged out decoration on top of the box.
