## Vessel with Corkscrew Top

### Date

2001

### Primary Maker

Mark Bressler

### Materials

Wood, lacquer

### Description

Squat, oval vessel with a wide body and a narrow mouth and small flared foot. A long, spiraling tube of wood emerges from the mouth. The surface is very smooth and reflective with a high gloss. The patterning of the burl is visible under the deep red and blue lacquered surface, as if it is obscured by dark water.
